REPORT OF SCHOOL BOARD.

Since our last report, we have been enabled to give the scholars the advantage of a school year of thirty-one weeks.

Excellent progress has been made in every grade.

The average attendance has been good, and both teachers and scholars have seemed to show a greater degree of interest than usual.

At the beginning of the fall term, the Neck Road School was reopened with an attendance of ten scholars.

Only slight repairs have been required on any of the buildings. These have been made. Herewith is our estimate to the selectmen for the ensuing year:

High school tuition,	\$150.00
Text-books and supplies,	175.00
Flags and appurtenances,	10.00
	<hr/>
Total,	\$335.00

Respectfully submitted,
